## PLEASE READ - Important Minichamps Price Increase Information.

Please see below a copy of an e-mail received from the UK Importer of Minichamps - but in brief - ANY Minichamps model supplied from 1st January 2007 is very likely to be at a new higher price and you will be charged this new price unless you advise us in writing before the models release / arrives into stock.

i.e. A Minichamps standard 1:12th scale bike RRP is likely to increase from £39.99 to £43.99, therefore our price will rise from £36.99 to £40.99, and a standard road car RRP is likely to increase from £19.99 to £21.99, therefore our price will rise from £17.99 to £19.99 etc, etc.....

Models that we have in stock or are supplied to us at the 'old' 2006 price will be charged at the lower 2006 price to you. The various Minichamps lists that are posted on the web site will all show 2006 prices until further notice - If you order from these or the web site you must assume that you will be charged 10% to 20% more as detailed below in the e-mail from Minichamps.

Dear Amerang Customer,

Please see below information just received on price increases from Paul's Model Art in Germany:

Minichamps have announced that due to the increased cost of zinc which has risen between 300 and 400% their prices will be increasing on January 1st 2007. All outstanding orders supplied after January 1st 2007 will be at the increased price so please notify us of any amendments you wish to make to any forward/back orders you have with us.

With regard to the category PGC/150 Series this will rise by 20% on 1/1/07 to a new price of £24.99 RRP, and all new and outstanding orders supplied from this date will be at the new price. In the meantime any orders received for EX STOCK items for despatch on or before 22.12.06 will be supplied at the current ruling prices! This applies to ALL Minichamps items including the PGC/150 Series.

They have also advised us of across the board increase of:

10% increase on 1/43 road, f1 and 1/18 f1 and 1/12 bikes

15% on 1/18 cars

16% on 1/18 race cars and 1/43 race.
